Thanksgiving Proclamation
Territory of Arizona
Executive Department

To The People of Arizona.

Whereas the President
Grover Cleveland has designated Thursday
the 26th day of November, instant, as a day
of Public Thanksgiving and Prayer. By
Proclamation as follows.

The American people have always abundant cause to be thankful to Almighty God, whose watchful care and guiding hand have been manifested in every stage of their national life, guarding and protecting them in time of peril and safely leading them in the hour of darkness and danger. It is fitting and proper that the nation thus favored should, one day in every year, for that purpose especially appointed, publicly acknowledge the goodness of God and return thanks to Him for all His gracious gifts.

Therefore, I, Grover Cleveland, President of the United States of America, do hereby designate and set apart Thursday, the 26th day of November, instant, as a day of public thanksgiving and prayer, and do invoke the observance of the same by all the people of the land. On that day let all secular business be suspended, and let the people assemble in their usual places of worship and with prayer and songs of praise devoutly testify their gratitude to the Giver of every good and perfect gift for all that He has done for us in the year that has passed; for our [illegible] united nation; for our deliverance from the shock and danger of political convulsion; for the blessings of peace and for our safety and quiet while wars and rumors of wars have agitated and afflicted other nations of the earth; for our security against the scourge of pestilence, which in other lands has claimed its dead by thousands and filled the streets with mourners; for the bounteous crops which reward the labor of the husbandman and increase our nation's wealth; and for the contentment throughout our borders which has fallen in the train of prosperity and abundance. And let there also be on the day thus set apart a reunion of families, sanctified and chastened by tender memories and associations, and let the social intercourse of friends, with pleasant reminiscences, renew the ties of affection and strengthen the bonds of kindly feelings.

And let us by no means forget, while we give thanks and enjoy the comforts which have crowned our lives, that truly grateful hearts are inclined to deeds of charity, and that kind and thoughtful remembrance of the poor will double the pleasure of our condition, and render our praise and thanksgiving more acceptable in the sight of the Lord.

Now therefore I. C. Meyer Zulick Governor of the Territory of Arizona recognizing the time honored custom, and the request of the President, do hereby proclaim the said 26th day of November instant, as a day of Especial thanksgiving and prayer throughout the Territory Earnestly inviting our Citizens to a suitable observance of the day

To the People of Arizona.

It is with regret I feel called upon to notice officially the inflamatory appeals made to the passions and prejudices of the people of this Territory upon our Indian difficulties.

I earnestly entreat citizens by discountenancing lawlessness to prove that Arizonans in yeilding obedience to law furnish the highest test of citizenship.

No wrong was ever corrected by sacrificing right.

The peaceful Indians ~~occupy~~ occupy the San Carlos reservation by authority of law. The Federal Government will give them protection. An unlawful attack upon them would aggravate our present troubles and subject us to the just condemnation of the civilized world.

The hostile, Chiricahua, Apache renegades, Murderers and theives, I am officially informed "will be pursued until their capture or utter "destruction is effected. No effort will be spared

In the matter of the charge and Specification for neglect of duty and official misconduct
V.S.
M. W. Stewart, O Lincoln[rd] & J. C Heath
Directors of the Insane Asylum of Arizona

Order of Removal

This proceeding was commenced and based upon the facts given before the Honorary Board of Directors of the Insane Asylum of the Territory.

It was made the duty of the Board under the 25th Section of the act to establish, maintain and provide for the government of an Insane Asylum," to investigate the books, accounts and doings of of the Board of Directors and of all the officers of said Asylum, at least once a year, and to make a report thereof, together with such suggestions as they may deem proper, to the Governor of the Territory, on or before the January first of each year."

This Board convened and made a report based upon facts ascertained, which, in their judgement, for the reasons fully therein set forth, justified them in recommending that "inasmuch" as it is evident to us that the Board of Directors of the Territorial Insane Asylum have been guilty of neglect of duty and official misconduct and that by openly violating the Laws under which they were created, and by extravagantly disbursing, carelessly guarding, and recklessly jeopardizing the security of the public moneys under their control, have made it our duty to recommend, as we do, their removal from office.

Notice to each of these Directors, with a copy of the charges and Specifications, fixing a time and place for hearing them before the Governor, was duly served upon them. Two of the Directors, Messrs Lincoln and Heath, appeared in person and all three, including Director Stewart, appeared by counsel. They interposed a plea to the jurisdiction and a demurrer.

The people were also represented by counsel; the arguments of counsel were heard, the plea was not sustained and the demurrer was overruled. The respondents filed answer a general and specific denial of charge and Specifications. Hearing was commenced under prescribed rules for its government, the case of the people was presented and rested. The counsel for the respondents declined and refused to go into any defense or produce any testimony, stating objecting to to the jurisdiction. The facilities for all pre

hearing was again offered them by the Governor in the following language: "I must again offer these respondents, through their counsel, a full opportunity to be heard in defense of and vindication from the charges and specifications, offering them every possible opportunity to produce the books of their Treasurer and the minutes of the Board, the opportunity to be sworn and testify in their own behalf, or call and have examined any other witness whose testimony could be considered pertinent or necessary in their defense."

Though their counsel the respondents refused further to be heard, thus declaring their unwillingness to be heard, or produce books or papers, or witnesses in their defense. Applying the principles heretofore announced by me to this case, it remains for me to determine whether or not the record, exhibits and evidence show such a state of facts that to remove the Directors would subserve the best interest of the Territory.

The records and evidence before me fully warrant the conclusions and recommendations of the Honorary Board. It is my opinion the public good requires the removal of these Directors for neglect of duty and official misconduct as charged and specified.

Wherefore, it is ordered and directed by the undersigned, the Governor of the Territory of Arizona, that the Directors of the Insane Asylum of Arizona, viz; M. H. Stuart, Oscar Lincoln and F. C. Hatch, be and they are each of them hereby removed from the respective offices they have heretofore held of Insane Asylum Directors, and discharged for all powers duties and responsibilities in any manner connected with said offices.

To all whom these presents may come Greeting: Whereas John Doe was convicted of the crime of Grand Larceny at the November Term of the District Court 1883 of Graham County and sentenced to serve a term of ten years in the Territorial Prison: Now Therefore I, C. Meyer Zulick, Governor of Arizona do hereby grant him a full pardon restore him to all the rights of citizenship and direct that he be forthwith set at liberty for the following reasons, viz:

First; Because of the recommendation of the District Attorney, County officials and citizens of Graham County and the Board of Prison Commissioners

Second; Because of the fact that he has already served two thirds of his time and his conduct has been good.

Third and chiefly: Because the sentence for ten years of a lad of only fifteen years old for the ~~of~~ crime of Grand Larceny was out of all reason and judgement. A boy of such tender years can handily be reclaimed and marked to lead a life of rectitude and become a valuable member of society by the imposition of so cruel a sentence.

He will leave upon the world at the age of twenty five, ten years of his life having been spent in a felons cell for his first offense against the law is not calculated to produce such a result. The character of his offense and his extreme youthfulness protest against the unreasonableness of such a sentence.
